"Rock 'N Roll Mafia"

Visit "[Rock 'N Roll Mafia](#)" on MotoLyrics.com

I see the devil with the flashing eyes
He's made of ice and he's trying to break me down
Underground
I see the monster coming from the north
Killing us both as we are trying to get some love
Leave us alone

One, two, three, four times
I tried to say to you
I am a big, big killer
I will kill you
Bang, bang, bang, bang

You know what people say about mafia?
And if you want to be a rock' n roll star
You got to play with fire

I see the beast coming from the sky
Looks in my eyes and it's trying to set me free of all my
sins
I see the God who's trying to play with me
Making me a person I don't want to be
Oh, Oh set me free
