Just a castaway  
An island lost at sea  
Another lonely day  
With no one here but me  
More loneliness  
Than any man could bear  
Rescue me before I fall into despair

I'll send an SOS to the world  
I'll send an SOS to the world  
I hope that someone gets my  
I hope that someone gets my  
I hope that someone gets my  
Message in a bottle

A year has passed since I wrote my note  
But I should have known this right from the start  
Only hope can keep me together  
Love can mend your life  
But love can break your heart

I'll send an SOS to the world  
I'll send an SOS to the world  
I hope that someone gets my  
I hope that someone gets my  
I hope that someone gets my  
Message in a bottle

TV set, jetstream, haul off until tomorrow  
Internet, flat screen, what's the message in your  
bottle?  
She'll be coming around the mountain when she comes  
full throttle  
Battle axe and chop em down, that's the call of the wild  
There's no message in your bottle, emptiness, it's just  
hollow  
Think the way to wake up is through sex, that's just  
shallow  
Tossing seed into the wind producing loss and sorrow  
Draculas on MTV sucking the blood from the marrow  
Hard-hearted like stone, want to be known like Pharaoh  
Said let my people go, that's the call of the wild

Children drowning in the rivers, swimming Babylon  
towers top...  
If it's roots are cut off, how we gon' feed this flower  
Might look pretty temporary but rotten within the hour  
Disconnected from it's source with no footsteps to  
follow  
Chasing death disguised as life, world's a bridge that's  
narrow

Walked out this morning  
Don't believe what I saw  
A hundred billion bottles  
Washed up on the shore  
Seems I'm not alone at being alone  
A hundred billion castaways  
Looking for a home

I'll send an SOS to the world  
I'll send an SOS to the world  
I hope that someone gets my  
I hope that someone gets my  
I hope that someone gets my  
Message in a bottle
