Ani auni vevyone, hashem yashav li
Ezrati, umafalti, atau

Said if You have been a refuge for me
A tower of strength in the face of the enemy
Enemy, enemy

From the end of the earth unto you I call
Time and again I fall, back to you I crawl
You have been a refuge for me
Tower of strength in the face of the enemy

Enemy lines, enemy lines
Find I let myself get caught too many times, too many
times, yeah
I gave you my heart, taking back what's mine
Yeah, you saved my soul from the other side, yeah, oh

From the end of the earth unto you I call
Time and again I fall, back to you I crawl
Said, if you have been a refuge for me
A tower of strength in the face of the enemy

Enemy, enemy, enemy, enemy
Enemy, enemy, enemy, enemy
Yeah, yeah, yeah, yeah, yeah

With you I smash a troop and with my God I leap over a
wall
May the king answer you on the day that you call
Stand tall, battle yawl, from the clouds crawl low
Heavens lay draped over New York City like a prayer
shawl
Holy one enthroned upon the praises of Israel
