Thanks for the times that you've given me
The memories are all in my mind
And now that we've come to the end of our rainbow
There's something I must say out loud

You're once, twice, three times a lady
And I love you
Yes, you're once, twice, three times a lady
And I love you
I love you

You've shared my dreams, my joys, my pains
You've made my life worth living for
And if I had to live my life over again
I'd spend each and every moment with you

You're once, twice, three times a lady
And I love you
Yes, you're once, twice, three times a lady
And I love you
I love you

When we are together, the moments I cherish
With every beat of my heart
To touch you, to hold you, to feel you, to need you
There's nothing to keep us apart

You're once, twice, three times a lady
And I love you
You're once, twice, three times a lady
And I love you

Yes, you're once, twice, three times a lady
I love you

I love you
