Praise and worship  
Bow your head  
Say a prayer for the too soon dead  
Call it God's will  
Call it fate  
Call for mercy, it's too late

Cos this ain't where the Angels dwell  
South of Heaven  
North of Hell

21 Guns and Cathedral bell  
South of Heaven  
North of Hell  
South of Heaven  
North of Hell

Mothers hold your baby's clothes  
Father, Son and Holy Ghost  
Cannot keep him safe on earth  
So throw your rose  
Down in the dust

This ain't where the Angels dwell

South of Heaven  
North of Hell

21 Guns and Cathedral bell  
South of Heaven  
North of Hell  
South of Heaven  
North of Hell

Holy water, tears of pain  
Cannot wash away the stain  
God you gave your only Son  
But you are not the only one  
No, you are not the only one

Hear the weeping  
Hear the knell

South of Heaven  
North of Hell

21 Guns and Cathedral bell  
South of Heaven  
North of Hell  
South of Heaven  
North of Hell
