1, 2, 1, 2, 3, 4

It's a fact, printed stained
Burned deep into my brain
It keeps turning in my mind
Like nuts and bolts so long

2, 1, 2, 3, 4

Hold that pose, get the feel
Seal the deal
One twist one tie
I'm closing up a bag of air and wire

2, 1, 2, 3, 4

Yes, yes, no, no, no, no
Yes, yes, no, no, no, no
Yes, yes, no, no, no, no, no, no

Its a fact printed stain
I was just singing in the rain
On a partially cloudy afternoon
You've been called here today
I just sigh and cry hooray
My friends and family

2, 1, 2, 3, 4

Yes, yes, no, no, no, no
Yes, yes, no, no, no, no
Yes, yes, no, no, no, no, no, no
