I know somethings aren't perfect  
Drum set worn on the surface  
Some things are better with age  
Some things no longer remain

I know that things aren't perfect  
Sick and a little nervous  
Knives tend to get dull and round  
So lets cut this whole building down  
Now

Now now now now now now now X4

I know that things aren't perfect  
Socks with holes no-one noticed  
Sneakers off laces still tied  
Some times truth sounds just like lies

I know that things aren't perfect  
But lets make tonight worth it  
Stand up right here take a bow  
And we will all ride this thing down  
Now

Now now now now now now now x4

Now now now now now now now  
(Some things aren't perfect)

Now now now now now now now  
(Make today worth it)

Now now now now now now now  
(Somethings aren't perfect)

Now now now now now now now  
(Make today worth it)
