You're bringing the bar up
Life's not plastic forks and and paper cups,
I'm uncertain we can make a heavy wave
We'll set all things straight!

Chorus:

Heads in the paint,
Let's make some stains!
Let's make some stains, ready dive!
Heads in the paint
Let's make a mark
All of these years you brought me here,
You brought me here!
I thank you,
All of these years that we come through!

Some parts never taught!
Climbing fences, sleeping on roof tops
Want some many things I see,
I should get them,
Steal, rock, bricks and lead
Want so many things I see,
I should get them!
Steal, rocks, bricks and lead

Chorus:

Heads in the paint,
Let's make some stains!
Let's make some stains, ready dive!
Heads in the paint
Let's make a mark
All of these years you brought me here,
You brought me here!

I thank you,
All of these years that we come through!

Let's make love so big!
Make sure it can't be missed!
I'll carry all these days,
For months and for years,
I'll miss seeing you here!

All these days,
For months and for years,
I'll miss seeing you here!

Chorus:

Heads in the paint,
Let's make some stains!
Let's make some stains, ready dive!
Heads in the paint
Let's make a mark
All of these years you brought me here,
You brought me here!
I thank you,
All of these years that we come through!

Chorus:

Heads in the paint,
Let's make some stains!
Let's make some stains, ready dive!
Heads in the paint
Let's make a mark
All of these years you brought me here,
You brought me here!
I thank you,
All of these years that we come through!
