These, these cracks tell time and story lines
Burdens post red explore
And all my fancy books are just for looks
It drives slow like this train

Train's been delayed, take the long way
Figured we'd hop up here

Cut and cross wires, electric fires
Reset your clocks and rewrite your thoughts
It's burning down, let's keep it up
Flames they grow strong, the louder the song

Cut and cross wires, electric fires
Reset your clocks and rewrite your thoughts
It's burning down, let's keep it up
Flames they grow strong, the louder the song

If rats, rats run this race, I'll get first place
Jordan's purses, the hair
Old rabbit ears no longer hear
Television beware

Cut and cross wires, electric fires
Reset your clocks and rewrite your thoughts
It's burning down, let's keep it up
Flames they grow strong, the louder the song

Cut and cross wires, electric fires
Reset your clocks and rewrite your thoughts
It's burning down, let's keep it up
Flames they grow strong, the louder the song

Cut and cross wires, electric fires
Reset your clocks and rewrite your thoughts
It's burning down, let's keep it up
Flames they grow strong, the louder the song

Cut and cross wires, electric fires
Reset your clocks and rewrite your thoughts
It's burning down, let's keep it up
Flames they grow strong, the louder the song
