Take me to heart and I'll always love you
And nobody can make me do wrong
Take me for granted leaving love unshown
Makes will power weak and temptation strong

A woman's only human
You should understand
She's not just a plaything
She's flesh and blood just like a man

If you wanna do right
All days woman
You've gotta be a do right
All night man

Yeah, yeah, they say that it's a man's world

But you can't prove that by me, no
And as long as we're together, baby
Show some respect for me

If you wanna do right
All days woman
(Woman)
You've gotta be a do right
All night man

A woman's only human
This you should understand
She's not just a plaything, baby
She's flesh and blood just like a man

If you wanna do right
All days woman
You've gotta be a do right
All night man
You've gotta be a do right
All night man
