It's the plan that never happens
It's the phone that never rings
It's the name I can't remember
It's the friend who's never in
It's the car I always wanted
It's the girl that I can't win
It's the place I've never been to
It's the song that I can't sing

There's no reason
For the way I'm feeling
Am I crazy?
In a crazy world
Can't help thinking
It's always on my mind

It's the key not in my pocket

It's the traffic that won't move
It's the train that's always canceled
It's the standing in the cue
It's the missing invitation
It's the restaurant that is full
It's the chance I should've taken
It's the man in front of you

There's no reason
For the way I'm feeling
Am I crazy?
In a crazy world
Can't help thinking
It's always on my mind
