"Can You Feel It"

Visit "[Can You Feel It](#)" on MotoLyrics.com

Yeah baby c'mon
I just wanna see you dance
Know what I mean
Just check your stuff on the dance floor
Cause it makes me feel so crazy
Hit me
C'mon baby just swing it to the left
And the right, cause you can do it all night

Damn, you make me go cuckoo
For your coco-puffs

I adore mi amor
So let's get down to business
Let's vacate this
Just witness the latin rhythm in my soul
So let yourself go and lose control
With my music no way to lose it
Si cosita, feel the groove chiquitita
Cause you're good, um bien bonita
So c'mon baby get with it
Can you feel it
Can you feel it
Can you feel it
Can you feel it
Can you feel it
(I know you can feel it)
