This mystery, well, I can't explain, no
History, well let me tell ya now, alive today
It breaks the fear, it brings death to shame
It brings us here, oh, in Jesus' name
Sing alleluia, sing alleluia
Sing alleluia, Christ is Lord
Christ is Lord
I've tried to walk, well, I've tried to pray
This flesh and blood, oh, just pulls me away, yeah
So please lift me up, please help me stand
Break these chains, oh break them in Jesus' name,
yeah
