Come on in
And close the door
Let me take your coat
Get comfortable
I'll go put some music on
Would like a drink?
Cigarette?
I have to say you're very beautiful this evening
Come over here
And sit by me
I don't know
It's getting late,
Have to go
I'd love to stay, but really have to go
The night is young
You don't have to go
Another drink?
Just take it slow
And-ah we could get to know one another
I don't know
It's getting late
I have to go (I have to go)
I'd love to stay but really have to go
Maybe some other time
The answer is no
I never, I never, no no I never
I never, I never, no no I never
I never, I never, no no I never
I never, I never, say that word
I don't know
It's getting late,
I have to go
Maybe some other time
Still the answer's no
I don't know
It's getting late
I have to go (don't go, don't go)
I'd love to stay, but really have to go (don't go, don't
go)
I don't know
It's getting late
I have to go (don't go, I have to go, don't go)

Maybe some other time (yeah)
Still the answer's no (don't go, don't go)
