Oh I see  
Mamacita cosita esta bien bonita  
Oh I see  
Me gustas mucho a mi

While I see you whip it  
Choke or treat you right  
Give me just a minute of your time tonight  
We both are here to have good fun  
So let it whip

I know you're into grooving  
Love your body language  
Baby let me know you've got me so unanxious  
We both are here to have good fun  
So let it whip

So let it whip, whip it baby, try, whip it right  
So let it whip, whip it baby, whip it all night  
Don't let it trip, no, no  
So try  
Oh let it whip  
Come on whip, come on whip

Now that we can see  
How you groove with me  
What else can I do to be closer to you  
We both are here to have good fun  
So let it whip

We have a mutual feeling  
All we see is feeling  
Let me be a lover man  
I wanna be a joker man  
We both are here to have good fun  
So let it whip

So let it whip, whip it baby, try, whip it right  
So let it whip, whip it baby, whip it all night  
Don't let it trip, no, no  
So try

Oh let it whip  
Come on whip, come on whip

(There's no time to lose)  
No time to lose  
(You're the one I chose so right)  
You're the one I chose  
I only wanna be with  
You're the one for me  
Can't you see that  
(I won't waste your time)  
I won't waste your time  
(I've sensed something divine in you)  
Something divine in you  
Yes I do  
Let's whip it  
Let's whip it

(There's no time to lose)  
No time to lose  
(You're the one I chose so right)  
You're the one I chose  
I only wanna be with  
You're the one for me  
Can't you see that  
(I won't waste your time)  
I won't waste your time  
(I've sensed something divine in you)  
Something divine in you  
Yes I do  
Let's whip it  
Let's whip it
