So here it is children yet another chance
Special delivery for one final dance
Prick up your ears, put on your dancing shoes
You've waited long enough so no time to lose

By now you know that only true love never dies
Just like mine
Take to heart, Ronnie's Samba
Love it back, Ronnie's Samba

Well friends it's high time to remember his name
Walk on the Wild side would not be the same
Everything feels right, every note falls into place
You can't help it but smile hearing what Heaven sent

And now you know [what heaven sent, what Heaven
sent]
that only true love never dies
Just like mine
Take to heart, Ronnie's Samba, Samba, Samba
Love it back, Ronnie's Samba, Samba
It's your lucky day, prepare to be amazed

[bridge]
You know that only true love never dies
Just like mine

Take to heart, Ronnie's Samba, Samba
Love it back, Ronnie's Samba, Samba, Samba

Favourite spot - Ronnie's Samba
Velvet noise - Heaven's manna
Perfect sky - Ronnie's Samba
Clear Horizon, ey Caramba

Second chance, Ronnie's Samba
Melting heart, oh hosanna
Stolen Kiss, hardest dream
Stormy bliss, happy stream

Ronnie's Samba
Ronnie's Samba

Ronnie's Samba
Ronnie's Samba
