Have you met a girl that would knock you out
Go and set your heart on fire
You used to realize what you're all about
Now you're walking all high why

I'm a man- quierenme, amor
Dan your true calor
I'm a man- quierenme, amor
Dan your true pasion
I'm talking 'bout the pieces that don't fit
Now I know my heart at night don't sleep
I try so very hard
I can't handle
What can I do

I'm talking 'bout true love
She talked me into true love
I'm talking 'bout true love
So tell me what's a true love

I never met a girl make me feel so right
I never cared enough to say
She's got me so
I can't sleep at night
I wonder why I feel this way

I'm a man- quierenme, amor
Dan your true calor
I'm a man- quierenme, amor
Dan your true pasion
I'm talking 'bout the pieces that don't fit
Now I know my heart at night don't sleep
I try so very hard
I can't handle
What can I do

What can I do

I'm talking 'bout true love
She talked me into true love
I'm talking 'bout true love

So tell me what's a true love

Talking 'bout the pieces that don't fit
Now I know my heart at night don't sleep
I try so very hard
I can't handle
What can I do

I'm talking 'bout true love
She talked me into true love
I'm talking 'bout true love
So tell me what's a true love

I'm talking 'bout true love
She talked me into true love
I'm talking 'bout true love
So tell me what's a true love

True love, true love, yeah....
