"World Is A Ghetto"

Walking down the street smoggy eyed
Looking at the sky starry eyed
Searching for a place weary eyed

Don't you know that it's true
That for me and for you
The world is a ghetto
Don't you know that it's true
That for me and for you
The world is a ghetto

There's no need to search anywhere
Happiness is here have your share
If you know you're loved be secure
Paradise is love to be sure

Don't you know that it's true
That for me and for you
The world is a ghetto
Don't you know that it's true
That for me and for you
The world is a ghetto
