Yo yo yo  
Come on, come on

Now every evening, when all my day's work is through  
I call my baby and ask her what we could do  
I mention movies, she doesn't seem to dig that  
And then she asks me why don't I come to her flat

And have some supper and let the evening pass by  
By playing records, the sounds of groovy hi-fi  
I say yeh yeh yeh  
That's what I say, I say yeh yeh yeh

My baby loves me, she gets me feelin' so fine  
And when she loves me, she lets me know that she's  
mine  
And when she kisses, I feel the fire get hot  
She never misses, she gives it all that she's got

And when she asks me if everything is okay  
I give the answer, the only thing I could say  
I say yeh yeh yeh  
That's what I say, I say yeh yeh yeh

We'll play a melody  
And turn the lights down low so no one can see  
We gotta do that, we gotta do that  
We gotta do that, we gotta do that

And there'd be no one else alive  
In all the world except for you and me  
Yeh yeh yeh yeh yeh  
Yeh yeh yeh yeh yeh

And pretty baby, I never knew such a thrill  
It's hard to tell you, because I'm trembling still  
No need to ask me if everything is okay  
I've got my answer, the only thing I can say  
I say yeh yeh yeh  
That's what I say, I say yeh yeh yeh

Ahh, open your mind

To electric guitar  
Open your mind

We'll play a melody  
And turn the lights down low so no one can see  
We gotta do that, we gotta do that  
We gotta do that, we gotta do that

And there'd be no one else alive  
In all the world except for you and me  
Yeh yeh yeh yeh yeh  
Yeh yeh yeh yeh yeh

And pretty baby, I never knew such a thrill  
It's hard to tell you, because I'm trembling still  
But pretty baby, I want you all for my own  
I think I'm ready to leave these others alone

No need to ask me if everything is okay  
I've got my answer, the only thing I can say  
I say yeh yeh yeh  
That's what I say, I say yeh yeh yeh  
That's what I say, I say yeh yeh yeh  
That's what I say, I say yeh yeh yeh
