I can?t live here anymore  
Here in a line, wasting away  
But I can?t make it to the door  
I don?t know why I can?t escape

A simple plan will get you in  
Into the main attraction  
But how far backward will you bend  
To get another reaction  
It?s always hard to change your point of view

I can?t live here any more  
Set up to fall, to fall  
But I can?t keep myself away ?cause I want it all

I keep reaching out my hand  
Waiting in line, playing it safe  
I keep running faster  
Just to get by, wasting away

I keep reaching out my hand  
I keep running faster  
But I am finding nothing there  
In places I?ve been chasing after  
It?s always hard to change your point of view

I can?t live here anymore  
Set up to fall, to fall  
But I can?t keep myself away ?cause I want it all  
Is there anybody else who?s tired of living for  
themselves
