Silence fills a formless void
Darkness spills over the deep
The Spirit of the Lord hovering
Then You breathe
You spoke the Word, and life begins
You spoke the Word, and life begins
Deep calls to deep, wondering
Then You breathe
And evrything begins here, but You saw more
And evrything begins here
You must have known
You'd she'd Your blood for me
And You breathe
Dust to flesh, You formed a man
Who falls from grace and knows his sin
But love chose redemption
Love chose redemption, and You breathe
You sent Your Son, and all is well
And You breathe, You breathe
