Never known such love  
Break the bread, drink this cup  
And see the empty grave  
Find redemption fully paid  
Living in this world makes it so hard to believe  
There is foreveness that we can receive  
Even though He died, He lives  
Even though our sin nailed Him there  
Oh what a love, oh what mercy  
He freely gives  
Even though he died, He lives  
Consecrate your heart, fall upon your knees  
We will not forget that  
Jesus died to set us free  
Let yourself be broken  
There's freedom from the pain  
How can we worship Him  
And ever be the same
