I'm running faster than I ever have before
A little more desperate to open up the door
To see if I will find you there
To see if I will find you there

I'm slowly leaving all I've known before
To follow after something I can own
Will I leave and find you there
If I leave will you be there

This is home where you are
Am I very far
Am I very far
Take me home I wanna be
Where you are
Where you are

I'm running faster than I ever have before
A little more desperate to open up the door
Is your love deeper than words
I need a love deeper than words
