(feat. Jj Heller)

This turned out to be nothing but a losing streak
I cannot believe my hopes were up so high
Now I've come to see I am like a blind man wondering

I just want to get home

Chorus:

Love is patient, it doesn't mind
Even if it has to wait a lifetime
And when you think you can't be saved
Love can find a way.

I tried everything, but everything came too easily
It didn't mean anything
I don't want to be empty, I don't want to be alone
I don't want to be alone.

Chorus:

Love is patient, it doesn't mind
Even if it has to wait a lifetime
And when you think you can't be saved
Love can find a way (love can find a way)

I'm ready to lose that I may find,
I'm ready to live, so take my life.
I'm ready to lose that I may find,
I'm ready to live, so take my life, I give my life.

Chorus:

Love is patient, it doesn't mind
Even if it has to wait a lifetime
Love is patient, it doesn't mind
Even if it has to wait a lifetime
And when you think you can't be saved
Love can find a way.

Ohh

Love can find a way, ohh
(Love can find a way)

And love can find a way, love can find a way.

(Love can find a way)
Love can find a way.
