Oh, will you come and find me
Iâ€™m all alone in an army of restless souls
Nobody knows
It might be hard to decipher
A cry for help from a life youâ€™re
Bound to see has had it so easy
What do you say when you know youâ€™re wrong
And all you believed and built your life upon
Is falling apart, all alone in the dark

Peace like a river is surrounding me
When my whole world is a raging sea
Only your light is what my soul has found
Lost on the ocean

Washed away by desire
I search for you through the fire
When all my dreams are vanishing
Wide awake, the illusion of discontent
Only proving that I canâ€™t seem to
Make sense of anything
What do you do when you canâ€™t hold on
And all you believed and you built your
Life upon is falling apart
All alone in the dark

Peace like a river is surrounding me
When my whole world is a raging sea
Only your light is what my soul has found
Lost on the ocean

Starting over, seeking shelter
Led by the light of my deliverer
Bent and broken, lost on the ocean,
Starting over, Iâ€™m starting over

Peace like a river is surrounding me
When my whole world is a raging sea
Only your light is what my soul has found
Lost on the ocean
Lost on the ocean
