Couldn't see it beginning, now I'm
Trying to make amends
You held your heart out in the palm of your hand
Right as I looked, you took it back again

Yeah you're one, one in a million, one
Out of all the stars in the sky
You're the only one that shines
What can I do to make you mine

Your voice so sweet in the morning
You're always taking me by surprise
You roll your stories out in a run on sentence
But somehow I always understand

Yeah you're one, one in a million, one
Out of all the stars in the sky
You're the only one that shines
What can I do to make you mine

I can see us in love
If you give us a chance
You always make me want to be
The best that I can

Girl, you're one, one in a million, one
Out of all the stars in the sky
You're the only one that shines
What can I do to make you mine

You're one, one in a million, one
Out of all the stars in the sky
You're the only one that shines
What can I do to make you mine
