"Outside Inside"

Hold me, clouds are reaching for the
Ground now
Outside, heart is racing from the
Inside, is everything as it should be
Searching through the wreckage
Finding headlights pointing to the
Inside, when outside the walls are
Closing in on me

I lie awake and yet Iâ€™m dreaming
Of you, pulling me through the night

Itâ€™s cold here, the sun is gone,
Itâ€™s scared, itâ€™s hiding
No more shadows weâ€™re all
Colliding, is everything as it should be

I lie awake and yet Iâ€™m dreaming
Of you, pulling me through the night
I close my eyes and now Iâ€™m facing
The truth... holding on to the memory
Of what could be

Hold me, clouds are reaching for the
Ground now
Is everything as it should be?
