I've seen trouble, felt the shame
Been forgiven and fallen again
I've been weathered by the poison rain
But I've gotten used to this pain

Can I wash in the water, drink from this well
And never thirst again
Can I sail on the ocean
And cast all these doubts and fears away
Far far away, far far away

I'm driving on empty, the night's closing in
And nothing can find me but You
I've been a sinner, I've hidden my face
And no one can find me but You
Here I am, here I am
Take me back

Is there ever a chance at all
For someone to stand when we're born to fall
Well, I come ready to be redeemed
I'm down on my knees
I'm down on my knees
