It took all night to fight the air and breathe
It took all week in search of a glimpse of sanity
It took all month to follow through
Its been a year and here I am again
Not knowing what to do
But I could never know love
Unless You show it to me
And I could never find peace
Unless You reach down and touch me
And I know my soul is touchable
And only Your love is what Im needing
I hung my head and tried to hide the shame
I bought the lie that
I alone was not the one to blame
But I can't hide it anymore
And on my own I know Ill
Find myself back where I was before
