You are my God, I seek You
My soul thirsts for You
You are my God, I seek You
My flesh faints for You
And in a dry and weary land
You are my water
You are my water
You are my God, I need You
You have been my help
You are my God, I need You
Let joyful lips sing
And in a dry and weary land
You are my water
You are my water, oh yeah
Your steadfast love is better than life
Your steadfast love is better than life
Your steadfast love is better than life
Your steadfast love is better than life
