And I see why decimation reigns
In our kingdom plagued by its pain and pride.
I hide in my coral cave,
Slowly growing fainter with each passing feud.
La da da da da da da

Didn't I show you love?
Didn't I give you everything?

And you cut through what you're scared to see,
Just you don't end up blaming me.
I've cried, and I've crawled from the depths of me
And I grow ever louder each time I'm subdued.
La da da da da da da

Didn't I open up?
Didn't I show you everything?
And you dashed it on the ground,
Just like everything else.
You say we need more time.
Speak for yourself.

And we get through one or two a day
Without blowing reason away.
Got one shotgun forged by you and I
Loaded up with shells from the trials we've shared.
La da da da da da da

Didn't I unload mine?
Didn't I show you everything?
And you dashed it on the ground,
Just like everyone else.
You say we need more time.
Speak for yourself.
Speak for yourself.

Didn't I show you music, like naked.
And I used it, so I'll take it
As long as I can
As long as I can
As long as I can

As long as I can
As long as I can.

But don't you dash it to the ground,
Just like everyone else.
You think love is still blind
See for yourself.
See for yourself.
