If I told you all you meant to me  
Would it be alright to lie?  
And if I were ashamed to cover my pain, baby,  
Would it be alright with you?

But I don't know you, won't you let me in?  
I left your thoughts at the worst time.  
Baby when I needed something most,  
But you're a jewel in my book baby.  
But do you even know my name?

But I don't know you, won't you let me in?  
I wanna live inside your ocean,  
I wanna wade beside your shore.  
So take my hand and just a little bit of this song and  
make it yours.  
And make it yours.

So I go on, and I keep living  
Just one day at a time.  
Feels like I'm in a race with myself  
And I don't know if I will win.

But I don't know you, won't you let me in?  
I wanna live inside your ocean,  
I wanna wade beside your shore.  
So take my hand and just a little bit of this song and  
make it yours.

I wanna live inside your ocean,  
I wanna wade beside your shores.  
So take my hand and just a little bit of this song and  
make it

I wanna live inside your ocean,  
I wanna wade beside your shore.  
So take my hand and just a little bit of this song and  
make it yours.  
And make it yours.  
Make it yours, make it yours, make it yours.
