I've heard the story
I'm sure he held you down
Forced you to do things
While I'm not around
But you lied, and you lied
But I've got cigarette eyes

I feel uneasy, I think of you less
My mind is so restless
And I'm feeling depressed
Oh my, oh my to see you with that spy
You lie but I know 'cause
I've got cigarette eyes

Out in the country I'm sure no one could tell
You held a victim under your spell
So go hide, well, go hide
But I've got cigarette eyes

I feel uneasy, I think of you less
My mind is so restless
And I'm feeling depressed
Oh my, oh my, to see you with that spy
You lied but I know 'cause
I've got cigarette eyes

Cigarette eyes
I've got cigarette eyes
Cigarette eyes

So you've got yourself a bright young girl
One who lies with you in bed
When she tells you that she likes the weather
Don't believe a word she says, no

Out in the country I'm sure no one could tell
You held a victim under your spell
So go hide, go hide
But I've got cigarette eyes

I feel uneasy, I think of you less
My mind is so restless

And I'm feeling depressed
Oh my, oh my, to see you with that spy
You lied but I know 'cause
I've got cigarette eyes

I feel uneasy, I think of you less
My mind is so restless
And I'm feeling depressed
Oh my, oh my, to see you with that spy
You lied but I know 'cause
I've got cigarette eyes
