Oh she fixes up her shirt,  
man she wouldn't go for you.  
And she mixes up her hours,  
cause she doesn't like that order you do.  
And she loves a second way,  
hey your first way is permanently through.  
And she'll never want to go to the movie,  
the same one that you do.

And if this love is superstitious,  
and everything we do is uncaught.  
And if this love is gonna make it,  
then maybe I should turn it up.

Oh the girl next door is crying,  
I don't know what I want to do.  
Next door she's crying  
Let me go, let me go for you.  
For you, for you, for you.

Well I watched as she moved from the bathroom  
to the living room floor.  
And I'll knock on her door,  
and tell her what I've been waiting for.  
And she'll smack upside the head,  
oh it's a crazy scene.  
Save your best for your own,  
oh that's how I want it to be.

And if this love is superstitious,  
and everything we do is uncaught.  
And if this love is gonna make it,  
then maybe I should turn it up.

Well the girl next door is crying,  
I don't know what I want to do.  
Next door she's crying  
Let me go, let me go for you.  
I don't want a new love love you,  
I don't want a new love love you,  
I don't want a new love love you.  
Ohhhhh.
