Vienna can you hear me?  
Lazing on the afternoon  
Cathedral bells  
A ringing, ringing, ringing, ringing  
Ringing the sound

Winter can't ignore her  
Spring will bring her back to blossoms  
Summer bring her back to me now  
Bring her, bring her, bring her, bring her  
Bring her to me

Shoulder to shoulder  
Be back in a month I told her  
Wishing well  
I wish her, wish her, wish her, wish her  
Wish her with me

Vienna was machst du?  
I'm running through the streets of Zürich  
I'm calling all the trains in Europe  
To bring her, bring her, bring her, bring her  
Bring her to me

Anything I got to do  
Anything I got to do now  
Anything I go to do to be

Back with happy Mondays  
Sleeping in on Sundays  
Just bring her, bring her, bring her, bring her  
Bring her to me  
Bring her, bring her, bring her, bring her  
Bring her to me

Vienna can you hear me?  
Lazing on the afternoon  
Cathedral bells  
A ringing, ringing, ringing, ringing  
Ringing the sound

Winter can't ignore her

Spring will bring her back to blossoms  
And summer bring her back to me now  
Bring her, bring her, bring her, bring her  
Bring her to me

Anything I got to do  
Anything I got to do now  
Anything I go to do to be

Back with happy Mondays  
Sleeping in on Sundays  
Just bring her, bring her, bring her, bring her  
Bring her to me  
Bring her, bring her, bring her, bring her  
Bring her to me
