What is about, there's something evolving,  
Whatever may come, the world keeps revolving  
They say the next big thing is here,  
That the revolution's near,  
But to me it seems quite clear  
That it's all just a little bit of history repeating

The newspaper shouts a new style is growing,  
But it doesn't know if it's coming or going,  
There is fashion, there is fad  
Some is good, some is bad  
And the joke is rather sad,  
That it's all just a little bit of history repeating

And I've seen it before  
And I'll see it again  
Yes I've seen it before  
Just little bits of history repeating  
And I'll see it again

Some people don't dance, if they don't know who's  
singing,  
Why ask your head, it's your hips that are swinging  
Life's for us to enjoy  
Woman, man, girl and boy,  
Feel the pain, feel the joy  
Aside set the little bits of history repeating

And I've seen it before  
And I'll see it again  
Yes I've seen it before  
Just little bits of history repeating
