Here I go once again  
Will I find the same end, or will I get it right  
Will I change?  
Will I make all the same mistakes?  
O will I see the light?

Your friends said that we  
Would never last that long  
Well I guess your friends were wrong

(Chorus)  
We'll still love kissin', we'll still refuse to listen  
This got to be the world's longest fling  
We're still hangin' in there  
So very glad we've been there  
Even if I could  
I wouldn't change a thing  
Maybe we'll have a fight  
That'll mess up the whole night  
It can even last for days  
But they're few and they're far  
In between the next star  
Making up is always great  
Yes it's true on paper  
We don't look that strong  
Well I guess the paper's wrong

Repeat Chorus

(Ext Chorus)  
Even when you steal the covers  
I wouldn't change a thing  
Even when I'm at your mothers  
I wouldn't change a thing  
Even when you take me shopping  
I wouldn't change a thing  
Even when you won't stop talking

On a side note when I first met you  
I never thought I'd get to share every single thing with  
you

And now you make me feel brand new

Repeat Chorus twice

Repeat Ext Chorus

Even if I could, I wouldn't change a thing
