Was it me? Was it you?
Was it all the little things that I didn't do?
I'm tryin' to move on, but I can't
No, I can't imagine being someone else's man

(Chorus)

I tried, I tried a million times to get you off my mind
It's not that easy, it's not that easy
Don't you know how hard it is for me
To smile and say good-bye
It's not that easy, it's not that easy
It's not over not for me
I used to have so much faith and I still believe
You're my weakness, you're my strength
And one without the other just don't make much sense

Repeat Chorus

It's not easy for me, as it is for you
Let's talk about it, it's not that easy

What am I meant to do without your love, your love?
What am I meant to do without your love?

What am I meant to do without your love, your love?
What am I meant to do without your love?

Repeat Chorus

Don't you know how hard it is for me
To smile and say good-bye
It's not that easy, it's not that easy.
