(John Lennon / Paul McCartney)

Last night I said these words to my girl  
I know you never even try girl  
Come on, come on, come on, come on,  
Please please me like I please you.  
You don't need me to show the way love  
Why do I always have to say love  
Come on, come on, come on, come on,  
Please please me like I please you.  
I don't want to sound complaining  
But you know there's always rain in my heart.  
I do all the pleasing with you  
It's so hard to reason with you.  
Oh yeah why do you make me blue.  
Last night I said these words to my girl  
I know you never even try girl  
Come on, come on, come on, come on,  
Please please me like I please you - you.
