I found God on the corner of 1st and Amistad  
Where the West was all but won  
All alone, smoking his last cigarette  
I said, "Where've you been?" He said, "Ask anything."

Where were you, when everything was falling apart.  
All my days were spent by the telephone that never rang  
And all I needed was a call that never came  
To the corner of 1st and Amistad

Lost and insecure, you found me, you found me  
Lying on the floor, surrounded, surrounded  
Why'd you have to wait? Where were you? Where were you?  
Just a little late, you found me, you found me.

But in the end everyone ends up alone  
Losing her, the only one who's ever known  
Who I am, who I'm not and who I wanna to be  
No way to know how long she will be next to me

Lost and insecure, you found me, you found me  
Lying on the floor, surrounded, surrounded  
Why'd you have to wait? Where were you? Where were you?  
Just a little late, you found me, you found me.

The early morning, the city breaks  
And I've been calling for years and years and years  
And you never left me no messages  
You never sent me no letters  
You got some kind of nerve taking all I want

Lost and insecure, you found me, you found me  
Lying on the floor, Where were you? Where were you?

Lost and insecure, you found me, you found me  
Lying on the floor, surrounded, surrounded  
Why'd you have to wait? Where were you? Where were you?  
you?

Just a little late, you found me, you found me.

Why'd you have to wait, to find me, to find me?
