Hey, I'm sitting here on your front step
I was born in the rain,
I don't mind getting wet
You're not here but you're coming soon,
You'd ask me if I'd come to you

I'll meet you under this streetlight
The world is asleep but it still feels right
I was lying in bed
When I got your message
This is what it said...

That it's four in the morning,
I don't wanna be alone
'Tween the sun and the stars and TV glow
We'll be tired tomorrow but I need you so
And don't let me go
It's four in the morning, yeah, yeah,
It's four in the morning

I will lose get control, get lost in you
And forget this town, don't care what we do
It's the way you touch me,
Girl, it's like no other
I'm trying to tell you...

That it's four in the morning,
I don't wanna be alone
'Tween the sun and the stars and TV glow
We'll be tired tomorrow but I need you so
And don't let me go
It's four in the morning, yeah, yeah,
It's four in the morning,

Yeah, yeah, yeah...

I surprise myself with the ways
I feel for you, ooh,
I fall so fast but I feel so far
Just wanna be close to you

Said it's four in the morning,

I don't wanna be alone,
No, no, no, no,
Wanna feel your breath
'Till the break of dawn
We'll be tired tomorrow but I need you so
And don't let me go
It's four in the morning,
Yeah, yeah, yeah, ooh, uuh...

We'll be tired tomorrow but I need you so
And don't let me go
It's four in the morning, yeah, yeah,
It's four in the morning, yeah,
It's four in the morning...

(Four in the morning,
Four in the morning,
Four in the morning...)

It's four in the morning,
Yeah, yeah, yeah,
Hey, yeah...
