Well, I brushed the hair across your face
As gently as a song
Well, I can enter your dreams
Comes the morning,
Well, I know that you'll be gone

You gave in for one last night,
One last night
And gave me something
To wonder about for the rest of my life

Ooh, well, you can cry if you want
But it's not the same
Ooh, and you don't love me
The way I love you, babe

Well, I pray for you time and time
Hey, yeah, will you pray for me
Well, and I hope you'll find someone who,
Ooh, who can give you what you need,
'Cause it ain't me

But what I need is to move on,
Be strong and find my own way
Well, I have seen the sunset,
Now I've got to believe
In a brand new day,
In a brand new day

Yeah, well, you can cry if you want
But it's not the same

Well, you don't love me
The way I love you, babe, no...

You don't love me,
You don't love me like I,
I, oh, the way I do, baby
You don't love me,
You don't love me the way I,
Oh, the way I do, baby,
Do, baby, no...

Oh, no you don't no, no,
Love me like I, no,
Oh, the way I love you, baby,
Love you, baby
You don't love me,
Oh, no, you don't, no, no, no,
Yeah, the way I, the way I do
You don't love me,
You never loved me the way I do...

Hey, yeah, yeah,
Yeah, yeah, yeah, ooh,
Uuh,
Uuh, yeah, yeah, yeah,
Yeah, you never loved me, baby,
You never loved me,
You never loved me...
