"Have You Ever Really Loved A Women"

To really love a woman,
To understand her,
You've got to know her deep inside
Hear every thought,
See every dream,
Give her wings when she wants to fly
And when you find yourself
Lying helpless in her arms
You know you really love a woman

When you love a woman
You tell her that she's really wanted
When you love a woman
You tell her that she's the one
'Cause she needs somebody
To tell her that it's gonna last forever
Tell me have you ever really
Really, really ever loved a woman...

To really love a woman,
Let her hold you,
'Till you know
How she needs to be touched
You've got to breathe her, really taste her,
'Till you can feel her in your blood
When you can see
Your unborn children in her eyes...
You know you really love a woman

When you love a woman,
You tell her that she's really wanted
Hmm...
When you love a woman,
You tell her that she's the one.

'Cause she needs somebody
To tell her that you'll always be together
Tell me have you ever really
Really, really ever loved a woman...

You've got to give her some faith,
Hold her tight, a little tenderness

You've got to treat her right
She will be there for you
She'll be taking good care of you ...
Oh, you really gotta love your woman

And when you find yourself
Lying helpless in her arms,
You know you really love a woman...

When you love a woman,
You tell her that she's really wanted
When you love a woman,
You tell her that she's the one
Hmm...
'Cause she needs somebody
To tell her that it's gonna last forever.
Tell me have you ever really
Really, really ever loved a woman...

Tell me have you ever really
Really, really ever loved a woman...
So tell me have you ever really
Really ever loved a woman...
Hmm...
