1st Verse

Looking out
Across the night-time
The city winks a sleepless eye
Hear her voice
Shake my window
Sweet seducing sighs

2nd Verse

Get me out
Into the night-time
Four walls won't hold me tonight
If this town
Is just an apple
Then let me take a bite

Chorus

If they say -
Why, why, tell 'em that is human nature
Why, why, does he do me that way
If they say -
Why, why, tell 'em that is human nature
Why, why, does he do me that way

3rd Verse

Reaching out
To touch a stranger
Electric eyes are ev'rywhere
See that girl
She knows I'm watching
She likes the way I stare

Chorus

If they say -
Why, why, tell 'em that is human nature
Why, why, does he do me that way
If they say -
Why, why, tell 'em that is human nature
Why, why, does he do me that way
I like livin' this way
I like lovin' this way
(Instrumental section)

4th Verse

Looking out
Across the loneliness
The city's heart begins to beat
Reaching out
I touch her shoulder
I'm dreaming of the street

Chorus

If they say -
Why, why, tell 'em that is human nature
Why, why, does he do me that way
If they say -
Why, why, tell 'em that is human nature
Why, why, does he do me that way
I like livin' this way
