The times we've shared
Have come and gone,
The memories 'tween us will live on
I've come to know
That love comes and goes
But it always comes back around,
Said it always comes back around

When we have to say goodbye,
Fight the tears, darling, don't you cry
I'm not good with these long goodbyes,
So I'll see you in a little while,
So I'll see you in a little while...

I wish you well as you move on
Lights go dim now, then you're gone
Well, I'll come to see
You're no longer we meet
And there's no sense to holding on,
Said there's no sense to holding on

When we have to say goodbye,
Fight the tears, darling, don't you cry
I'm not good with these long goodbyes,
So I'll see you in a little while,
So I'll see you in a little while

But you come to me when I'm asleep
Dreams of you, well, they,
They fill my head
You come to me when I'm asleep
Dreams of you, well, they,
They fill my head
And I know that you know, yeah, yeah,
And I'll see you again,
See you again...

When we have to say goodbye,
Fight the tears, darling, don't you cry
Not good with these long goodbyes,
So I'll see you in a little while,
Oh, my friend,

Well, I'll see you in a little while
Wipe your tears,
'Cause I'll see you in a little while
Though you go,
Well, I'll see you in a little while
Oh, my friend,
Well, I'll see you in a little while...

Ooh, uuh...
