Hmm, yeah...

Sitting in the corner,
Going over and over again
May I spend my life with you
I can't even imagine,
Such a sadness deep inside
To spend even a moment without you,
Oh, yeah...

And I have never
Heard of someone so amazing,
Start again, start again
And I have never
Imagined anyone being so beautiful,
So you

More than beautiful, more than silly words,
More than a soul mystery,
More than anything
More than cliché, more than beauty
I understand poetry whenever I'm with you,
So you...

And I have never
Heard of someone so amazing, yeah,
Say it again, say it again, yeah,
And I have never imagined
Anyone so beautiful, so wonderful,
So you...

More than love life,
More than mere words can describe
I've lived and loved
A thousand times with you
Please understand my song,
I sing it all day long,
Forever, and a day
We'll sing it our own way,
So you, ooh...

And I have never

Heard of someone so amazing,
Say it again, say it again
And I've never knew that you existed
Oh, I'll thank the Lord every single day
When I wake

I know it was destined to be,
Oh, yes, I do,
Hey, yeah,
Thank you, Lord

And I have never
Heard of anyone so amazing,
Say it again, say it again
And I have never imagined anyone
Being so beautiful, so wonderful
So you, so you,
So you, you,
Hmm...
