"To Really Love A Woman"

Visit "[To Really Love A Woman](#)" on MotoLyrics.com

You gotta know her deep inside
Hear every thought, see every dream
To really love a woman, to understand her

Then when you find yourself lyin 'helpless in her arms
You know you really love a woman

When you love a woman
An 'give her wings, when she wants to fly
You tell her that she's really wanted
When you love a woman
You tell her that she's the one

'Cause she needs somebody to tell her
That it's gonna last forever
So tell me have you ever really

Really, really ever loved a woman? Yeah
To really love a woman, let her hold you
'Til you know how she needs to be touched
'Til you can feel her in your blood

You've gotta breathe her, really taste her
An 'when you can see your unborn children in her eyes
You know you really love a woman

When you love a woman
You tell her that she's really wanted
You tell her that she's the one

'Cause she needs somebody to tell her
When you love a woman
So tell me have you ever really
That you'll always be together
Really, really ever loved a woman?
Oh, you gotta give her some faith, hold her tight

A little tenderness, gotta treat her right
She will be there for you, takin 'good care of you
You really gotta love your woman

You know you really love a woman

Then when you find yourself lyin 'helpless in her arms

When you love a woman
You tell her that she's really wanted
You tell her that she's the one
When you love a woman

That it's gonna last forever
So tell me have you ever really
Really, really ever loved a woman? Yeah

She needs somebody to tell her
Just tell me have you ever really
Really, really, ever loved a woman?
Oh, just tell me have you ever really
Really, really, ever loved a woman?
