Lookin' back through time we are in debt to the leaders  
Angels of mercy everyone  
Good folks who believe there was no good and evil  
Fought long and hard until the battles are were won

Heroes make the sun rise in the mornin'  
Heroes make the moon shine bright at night  
Heroes make our lives a little stronger  
In the soul of everyone he can be found

Give us an anchor or a rock to lean on  
A captain to take us through the storm  
What makes a soldier ride alone into battle  
Can anybody tell me where he's coming from

He's that stranger on the street, he's that child who's at  
your feet  
Searching for freedom and justice  
You've seen him time and again, you know they only  
fight to win  
They're the challengers of evil and I'm glad we know  
them

Heroes make the sun rise in the mornin'  
Heroes make the moon shine bright at night  
Heroes make our lives a little stronger  
All our fears go away when, when he's around  
When he's around

Yeah  
Heroes make the sun rise in the mornin'  
Heroes make the moon shine bright at night  
Heroes make our lives a little stronger  
If you look you'll surely see, there's you and me

Heroes  
I played on people  
Played on people  
Every heroes, heroes  
Heroes
