Tearing me apart
Somehow, I just joined in
She's playing with my heart
But Janet's so aware

And people tell me
She keeps telling you lies
I guess they wonder
How I stand it, oh

But when I look in her eyes
I know it's love
The way I planned it
I believe in Janet

Janet, they don't understand it
The whole world must be wrong
I gave my heart to Janet
And she won't lead me on

Janet, oh, Janet

There could never be
Another girl like Janet
It's only her and me
Together on this planet

And people tell me
She keeps telling you lies
I guess they wonder
How I stand it, oh, yeah

But when I look in her eyes
I know it's love
The way we planned it
I believe in Janet

Janet, they don't understand it
The whole world must be wrong
I gave my heart to Janet
And she won't lead me on

Janet, oh, Janet

Why can't they see
Without her there'd be
No reason to go on and on

As long as she stays with me
I'll keep holding on
I believe in Janet

I believe in Janet
They don't understand it
The whole world must be wrong
I gave my heart to Janet
And she won't lead me on

Janet, Ja-Janet
They don't understand it
The whole world must be wrong
I gave my heart to Janet
And she won't lead me on

Oh, oh, oh...

Janet, they don't understand it
The whole world must be wrong
I gave my heart to Janet
And she won't lead me on

Janet, they don't understand it...
