I'm in love with a  
Plain old-fashion girl  
(Love, baby)

She's the most beautiful  
Person in the world  
(Ooh, yeah)

Her smile is so warm  
And her eyes burn so deep  
(Deep, deep, deep) ah, yeah

Softly in rhymes of love  
She sings to me

Love is for love, oh  
But only if it's meant to be  
Only if it's meant to be, baby

I'm in love with a  
Plain and simple girl  
(She's still my baby)

She takes my heart and  
Sends me for a whirl  
(Takes my heart and sends  
Me round and round)

I'm on the wings of love  
And I don't take care where I go  
Because when we reach  
That star we both will know

Love is for love  
And our love was meant to be  
Our love was meant to be, baby

I want some loving tonight  
Some old-fashion loving, baby  
I know that you do it right  
Do it, do it, do it to it, baby

I want some loving tonight  
Some old-fashion loving, baby  
I know you do, do it right  
Do it, do it to it, baby  
(I know you do it right)

I just love her, baby  
She makes love  
(I love it, I love it)

She gives it all she can  
As our feelings flow  
(She gives all she can)  
Oh, baby

Her love is plain and simple  
And that's all right with me  
Because this old-fashion girl  
She made me see

Love is for love  
This love was meant to be

I want some loving tonight  
Some old-fashion love, baby  
I know that you do it right  
(Do it, do it, do it to it, baby)

I want some loving tonight  
Some old-fashion love, baby  
I know that you do it  
(Do it, do it) do it right, baby

(I want) oww  
(Gimme, gimme, gimme) whoa  
(I want) oh, girl  
Some old-fashion love, baby

I want some loving tonight  
(Do it, do it, do it)  
Some old-fashion love, baby)

(I want) oww  
(Gimme, gimme, gimme) whoa  
(I want) oh, girl  
Some old-fashion love, baby

(I want) oh, say it  
(Gimme, gimme, gimme) whoa  
(I want) oh, girl  
Some old-fashion love, baby

Oh, yeah, ah, yeah  
Oh, yeah, ah, yeah  
(Do it, do it, do it)

(I want) oww  
(Gimme, gimme, gimme) whoa  
(I want) oh, girl  
Some old-fashion love, baby
